investment management. The emphasis is on being true to mandate and investing in a disciplined manner appropriate to each of our diverse strategies across asset classes. We endeavour to create alpha over the benchmark indices over longer time periods, and this should enable us to achieve superior performance with the peer group.

The performances of the Schemes and Scheme objectives are given in **Annexure-1** and **Annexure-2**, respectively.

The data on Schemes in which dividend was declared during FY 31st March, 2026 is enclosed as **Annexure 3**. The Statement showing scheme wise Unclaimed Dividend and Unclaimed Redemption amount as on 31st March 2026 is enclosed as **Annexure 4**.

b) Assessing India's Financial Markets in FY 2025-26 and the Road Ahead

i)Fixed Income Market

Overview

FY26 global economic environment was marked by rising trade frictions, policy uncertainty and persistent geopolitical risks due to the change in US trade policy and escalation in US/Iran relations. Bond markets had to navigate a combination of shifting growth expectations, sticky pockets of inflation and concerns around higher fiscal spending in several jurisdictions. This contributed to elevated term premia and intermittent risk-off phases, especially in the latter part of the year. The US 10 year sovereign benchmark yield ended the year at 4.32% from its low of 3.95%.

On the domestic front, the Indian economy remained resilient in 2025-26 Real GDP is estimated to grow by 7.6% for FY26. Private consumption and fixed investment contributed significantly to overall growth although net external demand remained soft.

Full-year average CPI inflation came in at approximately 2.1%, the lowest in the history of the current CPI series driven by sustained food price disinflation through the first three quarters. The CPI series was revised with the revised CPI basket reduced the weight of food from 45.9% to 36.8%, thus limiting headline sensitivity to food price volatility going forward.

UTI MUTUAL FUND MUMBAI

Against this backdrop, the Reserve Bank of India eased monetary conditions significantly during FY26. The RBI delivered a cumulative 125 bps of repo rate cuts since February 2025, complemented by more than Rs. 7 lakh crore in OMO purchases, Rs. 2.5 lakh crore in CRR cuts, and approximately USD 25 billion in FX swaps, the largest single-year liquidity infusion on record. The domestic bond market, however, remained volatile through FY26. While the combination of easing inflation, monetary support and improved liquidity was initially constructive for sovereign bonds, the latter part of the year saw pressure from adverse trade deal from the US, currency weakness due FPI outflows and oil-related concerns in Q4FY26. As a result, Indian government bond yields hardened in FY26 with the 10 year benchmark closing at 7.04% compared to its close of 6.58% as on 31st March 2025.

Outlook

The RBI projects GDP growth at 6.9% for FY27, down from earlier estimates, reflecting caution amid global uncertainties & average inflation at 4.6% for FY27, with upside risks from energy prices and supply disruptions.

IMD's long-range forecast projects the 2026 southwest monsoon at 92% of the Long Period Average, with El Niño conditions expected to strengthen through August–September

Monetary policy in FY27 is therefore likely to be characterised by a prolonged pause with a supportive liquidity bias. With the policy rate already reduced materially and inflation expected to normalise higher from FY26 levels, the RBI may increasingly focus on balancing domestic growth support, especially in the context of oil prices, exchange-rate pressures and global financial market volatility. The short-to-medium segment (1-3 year) of the curve therefore appears better placed on a risk-reward basis, while duration exposure may be added more selectively during episodes of market overshoot.

Assessing India's financial markets in FY26 and the road ahead

Equity Market
Overview

UTI MUTUAL FUND MUMBAI

The equity markets remained volatile during FY26 with almost all the gains in Q1 and Q3 erased in Q4 amidst the oil supply shock due to the escalation of the Gulf conflict, broadly ending the year on a negative tone. The year was characterised by persistent FPI selling, a sharp earnings growth slowdown, and a confluence of global headwinds including escalating geopolitical tensions in West Asia and renewed tariff uncertainty from the United States. For the full year, Nifty 50 TRI fell 4.0%, Nifty Midcap 150 TRI gained 2.3% and Nifty Smallcap 250 TRI registered 4.9% fall.
(Source: Bloomberg)

FY26 was marked by elevated geopolitical uncertainty and a sharp deterioration in the global operating environment. The year commenced with a significant escalation in global trade tensions following a sharp increase in US tariffs, which weighed on international trade sentiment. Geopolitical risks intensified further with the emergence of military conflicts in the Indian subcontinent and culminated in a major escalation of the West Asia (Gulf) conflict toward the end of the fiscal year.

The escalation in the Gulf region led to disruptions in key global energy supply routes, pushing crude oil prices above the USD 100 per barrel threshold. This development materially heightened macroeconomic risks for India, given the country's high dependence on imported crude oil. Elevated geopolitical uncertainty, higher energy prices, and risk-off capital flows exerted sustained pressure on the Indian rupee, which depreciated sharply by 10.6% against the US Dollar (USD) during FY26.
(Source: Bloomberg)

Union Budget, RBI's dovish policy and the US trade deal provided tailwinds for domestic growth outlook, especially for manufacturing and investments. The new GDP series based on base year 2022-23 indicated that the GDP grew at 6.7% in Q1FY26, 8.4% in Q2FY26 and 7.8% in Q3FY26. The National Statistical Office (NSO) has projected real GDP growth of 7.6% for FY26 vs 7.1% in FY25.
(Source: RBI)

Inflation remained surprisingly subdued in FY26 averaging ~ 2% till Feb '26 (lower end of the tolerance band). However, CPI inflation has crept up to 3.2% by Feb'26 and with the inflationary risks arising due to the Gulf conflict is expected to rise further during FY27. RBI's forecasted average CPI inflation is at 4.6% and real GDP growth is at 6.9% for FY27 taking into account the impact from the Gulf war so far.
(Source: RBI)

On the external front, India's Current Account Deficit (CAD) remained stable at around 0.4% of GDP in CY25 compared to 0.8% in CY24. However, CAD to GDP had risen to 1.3% by Q4CY25 and the escalation of the Gulf crisis poses further risks to the external sector. During April-December 2025, CAD was at 1.0% of GDP compared with 1.3% during the same period a year ago. Within this, merchandise trade deficit for CY25 was somewhat elevated around 7.8% of GDP (CY24: 7.3% of GDP). This was offset by strong services surplus and remittances. To that extent, India's external vulnerability remains low especially given a benign CAD, and adequate Forex reserves of around USD 697 billion (as of April 9, 2026).
(Source: CEIC, RBI)

Foreign Portfolio Investors were net sellers in the year with second half seeing large outflows due to the Gulf conflict. For FY26, India saw USD 21.0 billion of equity outflows which was offset to a small extent by USD 2.1 billion of debt inflows. India exported a record USD 791 billion worth of goods and services in FY26 (till February 2026). Tax to GDP stood at 11.5% in FY25 although the tax buoyancy

UTI MUTUAL FUND MUMBAI

likely to moderate in FY26 given the income tax stimulus & GST rate rationalisation. Net direct tax collections for FY26 hit INR 22.8 trillion, a growth of around 7.2% over the corresponding period last year (as of March 17, 2026). GST collections remained robust and averaged around INR 1.9 trillion per month in FY26.
(Source: CEIC, RBI, Department of Commerce, Income Tax Department)

Other key highlights of the FY26

Many sectoral indices outperformed the Nifty 50 TRI (down 4.0%) in FY26. The top three outperforming indices were Nifty PSU Banks TRI (up ~27%), Nifty Metal TRI (up ~24%) and Nifty Auto TRI (up ~13%). The bottom three underperformers were Nifty Realty TRI (down ~23%), Nifty IT TRI (down ~19%), and Nifty Media TRI (down ~14%).
(Source: NSE)

During FY26, FIIs were net sellers worth INR 1.9 trillion while DIIs were record buyers worth INR 8.5 trillion. Mutual Fund SIPs continued to remain resilient despite the market volatility with cumulative SIP flows of INR 3.5 trillion in FY26 vis-à-vis INR 2.9 trillion in FY25 signifying rise of significant participation from retail investors. Further, domestic equity Asset Under Management (AUM) has increased by 8% to INR 32.0 trillion in March 2026 from INR 29.5 trillion in March 2025. The above numbers exclude equity AUMs under ETFs and Hybrid Funds.
(Source: Bloomberg, CEIC, Association of Mutual funds of India)

Outlook

As per International Monetary Fund, the global economy is estimated to grow at 3.3% in CY2026; however, the outlook on the global front remains volatile amid significant geopolitical developments which included significant rise in US tariffs and military conflicts in the Gulf region.
(Source: IMF)

With regards to India, the energy crisis emanating from the Gulf war presents significant challenges to the global economy and India in particular given its high reliance on oil imports. Equity valuations reflect this concern with Indian stock indices down ~11% from the start of the conflict to the lows hit in March 2026. On the positive side, valuations have become relatively attractive post the sharp correction in stocks especially in large cap space, however, valuation in case of Mid and Small cap space remain elevated despite of some cool off in the recent period. Even on the market cap to GDP parameter, Indian stocks have scaled down significantly from the high of 151% seen in FY25 to reach 116% by the end of FY26. It is likely that the Gulf war crisis will have a temporary effect on India's growth trajectory for FY27 while the long-term growth outlook remains intact. Domestic investors continue to be structural buyers of Indian equities. Foreign investors will take a positive view on India once the Gulf war begins to show signs of winding down and given that India equity valuations are now at reasonable levels as compared to global markets.

CORPORATE GOVERNANCE POLICY ON EXERCISING THE VOTING RIGHTS

Background

UTI Asset Management Company Ltd (UTI AMC), the Investment Manager of UTI Mutual Fund (UTI MF) is responsible, in its fiduciary capacity, to act in the best interests of its unit holders which, inter alia,include exercising voting rights attached to the equity shares in which Mutual Fund Schemes invest.

As per the Securities and Exchange Board of India (SEBI) circular no. IMD/CIR/ No 18/198647/2010 dated March 15, 2010 ,principals enumerated by SEBI vide its circular no.CIR/CFD/CMD1/168/2019 dated December 24, 2019 and circular no. SEBI/HO/IMD/DF4/CIR /P/2021/ 29 dated March 5, 2021, AMCs are required to frame a general policy and procedure for exercising the voting rights in respect of shares of listed companies held by them and disclose the same on the website as well as in the Annual Report distributed to the unit holders. Further, as per the said circular, the AMCs are also required to disclose on their website the actual exercise of their proxy votes in the AGMs/EGMs of the investee companies (in all mutual fund schemes, including passive scheme) in respect of the following matters:

a) Corporate governance matters, including changes in the state of incorporation, merger andother corporate restructuring, and anti-takeover provisions.
b) Changes to capital structure, including increases and decreases of capital and preferred stockissuances.
c) Stock option plans and other management compensation issues.
d) Social and corporate responsibility issues.
e) Appointment and Removal of Directors.
f) Related Party transactions of the Investee Companies (excluding own Group Companies). For this purpose, "Related Party Transactions" shall have same meaning as assigned to them in clause (zc) of Sub-Regulation (1) of Regulation (2) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015
g) Any other issue that may affect the interests of the shareholders in general and interests of theunit-holders in particular.

As per Circular no. SEBI/HO/IMD/DF4/CIR/P/2021/29 dated 05th March, 2021, Mutual Funds including their passive investment schemes like Index Funds, Exchange Traded Funds etc. shall be required to cast votes ('For' or 'Against') compulsorily in respect of the above resolutions. For all remaining resolutions which are not covered above, Mutual Funds shall also compulsorily be required to cast their votes ('For' or 'Against') with effect from April 01, 2022.

As the Investment Manager of various Schemes of UTI MF, UTI AMC believes in enhancing and protecting the value of investment of its unit holders. One of the missions of UTI AMC is to be "a socially responsible organization known for best corporate governance". UTI AMC further believes that it is its duty to protect the interests of unit holders from unscrupulous acts of some of the promoters and management of such Companies.

To protect the interests of its unit holders, in line with its mission, existing practices and SEBI guidelines, UTI AMC has framed the following policy on exercising the voting rights in investee companies.

Voting Policy:

The investments of UTI MF Schemes are guided by internal guidelines, inter alia, to invest in companies, which have acceptable standards of effective management, follow good corporate

UTI MUTUAL FUND MUMBAI

governance practices and have fundamental strengths. The voting policy will continue to be guided as under, keeping in viewthe adherence to sound management practices by Investee companies.

i) Routine matters like a) Approving Balance Sheet & Profit and loss Account, b) Appointment of directors, c) Appointment of Auditor, d) Fixation of remuneration of Auditors/Directors may not bœobjected in the normal course unless and otherwise it adversely affects the interests of the unit holders.

ii) Voting in respect of any important agenda items/Resolutions affecting to our investment like

a) **Merger, Demerger, Acquisition, hiving off division, takeover proposal:**

UTI AMC will continue to generally support merger/demerger/acquisition/hiving off division of company if the same enhances equity shareholders' wealth, is carried out in a transparent, conducive environment, is within the applicable laws, rules and regulations of the country and does not otherwise adversely affect the interests of the unit holders of the schemes of UTIMF. Any hostile takeover by investee company will be analysed and decision for casting vote will be taken in the best interest of Unitholders.

b) **Diversification, expansion, incorporation of subsidiary company, related party transaction:**

UTI AMC will continue to welcome and encourage expansion/diversification of the company's businesses which have the potential to enhance shareholder value. Unrelated diversification bythe company, where UTI AMC understands that the company has no expertise and experience and which could prove a drain on the company's capital, will not be encouraged. Company's related party transactions will continue to be examined carefully to protect the value of investment.

c) **Changes to capital structure:**

Companies raising capital for business growth will generally be supported if investment value ofexisting shareholders is not adversely affected.

d) **Preferred stock issuance, stock option plans, unreasonable Bonuses and/or compensation to management:**

UTI AMC believes in rewarding people, who perform well and assist their company to achieve its goals and objectives. However, any undue and unreasonable bonuses or remuneration etc. paid to managerial staff more particularly during turbulent periods for the company and undue favour to managerial staff or the Promoter Group may not be supported.

e) **Proposal of unusual high payments for any purpose, Social and Corporate responsibility issue:**

UTI AMC permits proposal for payment for performing social and corporate responsibility obligations which are within the laws of the land. Any unusual/ higher payments will be opposed.

f) **Appointment and Removal of Directors**

UTI AMC will continue to encourage having maximum number of professional, experienced, andindependent directors on the Board to ensure a high level of corporate governance in the investee company. UTI AMC generally supports appointment of directors, who possess a good track record.

g) Changes in location of registered office of the company or any other matters including those as mentioned above that may affect the interests of shareholder, will be decided based on the factors including equity holding in the company, impact on UTI AMC's investment, adequacy of information, conflict of interest, protection of shareholders' interests.

iii) In addition to the above, depending on the nature of other proposed agendas which is not specifically covered above, the fund management team, in consultation with the research team and if required other concerned departments of UTI AMC, will take an appropriate view to protect the value of investment in the investee Company.

If required, UTI AMC may consult other shareholders of the company in respect of the agenda/s proposed to be objected to protect the interests of unit holders.

UTI AMC will generally follow the voting policy as detailed above, however, if the relevant facts and circumstances so warrant, it may act differently to protect the interests of its unit holders.

Conflict of Interest:

Policy for investment in Group Companies of UTI AMC and investment in Companies which have invested in the Schemes of UTIMF:

Investment by the Schemes of UTI MF in the Group Companies of UTI AMC, if any, will be made in accordance with the SEBI (Mutual Funds) Regulations 1996 and reports for such investments will also be filed with SEBI as required under these Regulations. In such cases, UTI AMC also recognizes that there may be potential conflict of interest where UTI AMC will have to take decision for voting on Resolutionsof:

a) Entities including the group companies of UTI AMC or otherwise with which it may have some relationship, and
b) Companies that have substantial investments in the units the scheme/s of UTIMF.

In such circumstances, UTI AMC will continue to review all voting proposals, routine as well as non-routine, and perform its duties in a responsible manner keeping in mind the best interests of unit holders, in line with the regulatory requirement. Executive Investment Committee will look after any issues/escalation arising out of any conflict or in general.

Circumstances for Abstaining from voting:

There may be instance where UTI Mutual Fund may not have any economic interest on the day of voting. In those cases, it may not cast vote for such Investee Companies.

Applicability:

The policy applies to exercise the voting rights/proxy votes by the nominated members of UTI AMC in the AGMs /EGMs of Equity shareholders of the all investee company where the Schemes of UTI MF have investments.

Decision Making Process

UTI AMC has a well-laid down decision-making process outlining criteria to vote in favour or against on the resolution/agenda items keeping in mind the interests of its unit holders. Department of Fund Management (Equity) of UTI AMC would carry out operational activities (including coordination with Fund Managers, casting of votes and disclosure on the website) in the subject matter. For casting vote it may use any mechanism (e.g. e-voting, physically attending meetings, voting through proxy, etc.) as per importance of agenda items, need of situation and convenience.

Decision making process of UTI Mutual Fund is given as under:

1) Analyst of respective Company provides its recommendation with rationale for each of the Resolutions.
2) An E- mail is sent to all Fund Managers about the recommendation of Analyst. Fund Manager may also offer his views/recommendations on voting of the resolutions along with rationale, only in case of difference of opinion.
3) ESG Analyst reviews recommendation and rationale as made by the analysts and may suggests changes, if needed, in order to incorporate any ESG related issues and bring out enhanced consistency.
4) Head–research reviews recommendation of Analysts and inputs of ESG Analyst, if any and Fund Manager (only in case of difference of opinion) and takes the final decision.
5) The vote shall be cast at Mutual Fund Level. However, in case Fund Manager/(s) of any specific scheme has strong view against the views of Research analysts and/or Fund Manager/(s) of the other schemes, the voting at scheme level shall be allowed, subject to recording of detailed rationale for the same.

UTI AMC Ltd. may utilize the services of unaffiliated third-party professional agencies for getting in depth analyses of proposals, their voting recommendation and services to exercise proxy voting and maintenance of related data. At present UTI AMC is taking the services of Institutional Investors Advisory Services (IIAS) and Stakeholders Empowerment Services (SES). Services of third-party professional agencies would be recommendatory in nature and not binding on UTI AMC. UTI AMC would only take a final decision in case of voting on proposal.

Review, Control and Modification

The Boards of UTI AMC will review the voting policy whenever there is need or at least once every financial year. UTI AMC management may review and modify, if required, its decision making process, delegation of power and internal control mechanism as per requirements from time to time. Thereafter, the policy shall be submitted to the Board of UTI Trustee Company Private Limited for approval.

Reporting to the Board of AMC and Trustee

Fund Managers/Decision makers shall submit a declaration on quarterly basis to the Trustees that the votes cast by them have not been influenced by any factor other than the best interest of the unit holders. Board of AMC and Trustees of Mutual Funds shall review and ensure that UTI AMC have voted on important decisions that may affect the interest of investors and the rationale recorded for vote decision is prudent and adequate. The implementation of voting guidelines and confirmation for above is reported to SEBI in the half yearly trustee reports.

Board of UTI AMC and UTI Trustee would be apprised regarding voting exercised by UTI AMC onbehalf of its schemes on quarterly basis.

Disclosure and Record Keeping

The data on voting exercised or otherwise is maintained in electronic / physical mode covering all equity holdings across all schemes of UTIMF and the same is disclosed on Quarterly basis within 10 working days from the end of the quarter on UTI MF website as per the format prescribed by SEBI from time to time. The disclosure includes name of the company, meeting date, details of resolution, details of actual voting done by UTI AMC for every proposed resolution in investee Companies and brief rational of voting decision. A web link is provided in annual reports of mutual fund schemes regarding the disclosure of voting details. Further, on an annual basis Scrutinizer's certification on the voting reports being disclosed is obtained. Such Scrutinizer's certification is submitted to trustees and also disclosed in the relevant portion of the Mutual Fund's annual report & website.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of UTI Mutual Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the schemes mentioned in Annexure 1 (collectively 'the schemes'), which comprise the Balance Sheet as at 31 March 2026, the Revenue Account, the Cash Flow Statements and the Statement of changes in Net Assets attributable to unit holders of the schemes for the year / period then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the schemes give a true and fair view in accordance with Indian Accounting Standards ('Ind AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended, read with the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- in the case of the Balance Sheet, of the state of affairs of the respective schemes as at 31 March 2026;
- in the case of the Revenue Account, of the surplus / deficit, as applicable, for the respective schemes for the year / period then ended on that date; and
- in the case of the Cash Flow Statements, of the cash flows for the respective schemes for the year / period then ended on that date.
- in the case of Statement of changes in Net assets, of the changes in net assets attributable to the unit holders of the respective schemes for the year/period ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of UTI Trustee Company Private Limited (the "Trustees") and UTI Asset Management Company Limited ("the AMC") (collectively referred to as the "Management") are responsible for the other information. The other information comprises the information included in the Trustees' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance cash flows and changes in net assets attributable to the unit holders of the schemes in accordance with Ind AS and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended, read with the SEBI Regulations, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI Regulations for safeguarding of the assets of the schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the scheme's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Schemes to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:

   (a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief were necessary for the purposes of our audit;

   (b) The Balance Sheet gives a true and fair view of the respective schemes, state of affairs of the respective schemes for the accounting period to which the Balance sheet relate;

   (c) The Revenue Account gives a true and fair view of the respective schemes, surplus or deficit in the respective schemes for the accounting period to which the Revenue Account relate;

   (d) The Financial Statements have been prepared in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations; and

   (e) The Balance Sheet and the Revenue account are in agreement with the books of accounts of the respective schemes.

2. As required by the Eight Schedule of the SEBI Regulations, we report that:

(a) In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at 31 March 2026, where applicable, are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of Trustee of UTI Mutual Fund and are fair and reasonable.

INDEPENDENT AUDITOR'S REPORT

To the Trustees of UTI Mutual Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the schemes mentioned in Annexure 1 (collectively 'the schemes'), which comprise the Balance Sheet as at March 31, 2026, the Revenue Account, the Cash Flow Statement and the Statement of Changes in Net Assets attributable to unit holders of the schemes for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the schemes give a true and fair view in accordance with Indian Accounting Standards ('Ind AS') and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended, read with the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended ("the SEBI Regulations"):

- in the case of the Balance Sheet, of the state of affairs of the respective schemes as at March 31, 2026;
- in the case of the Revenue Account, of the surplus / deficit, as applicable, for the respective schemes for the year ended on that date;
- in the case of the Cash Flow Statement, of the cash flows for the respective schemes for the year then ended on that date; and
- in the case of Statement of changes in Net Assets, of the changes in the net assets attributable to the unit holders of the respective schemes for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the schemes in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matters	How our audit addressed the key audit matter
Information Technology systems and controls	
As a Mutual Fund, the reliability of Information Technology ('IT') systems plays a key role in the business operations. Since large volume of transactions are processed, the IT controls are required to ensure that systems process data as expected and that changes are made in an appropriate manner. The IT infrastructure is critical for smooth functioning of the Fund's business operations as well as for timely and accurate financial accounting and reporting. Due to the pervasive nature and complexity of the IT environment and large volume of transactions we have considered IT systems and controls as a key audit matter.	Our audit procedures on the IT infrastructure and applications relevant to financial reporting of the schemes included the following: • We assessed the information systems used by the Fund for: (i) IT General Controls (ITGC) and (ii) Application controls; • We obtained an understanding of the process, evaluated the design of IT systems and tested the operating effectiveness of the controls by also engaging IT specialists; • We obtained and assessed independent assurance reports for the relevant controls at the third-party administrator and considered whether there was any impact on our audit; • Performed tests of controls (including other compensatory controls wherever applicable) on the IT application controls and IT dependent manual controls in the system; and • Tested the design and operating effectiveness of compensating controls in case deficiencies were identified, and where necessary, extended the scope of our substantive audit procedures.
Existence and Valuation of Investments	
The investments held by the schemes as at March 31, 2026 mainly comprised of Listed Equity instruments, Mutual Fund Units, Debt Instruments, Government Securities, Treasury bills and Money Market Securities. There is a risk on existence of investments and that the fair value of investments not determined appropriately. Accordingly, the existence and valuation of investments is considered as a key audit matter.	Our audit procedures in relation to existence and valuation of investments included the following: • Assessed the design and implementation of controls over existence and valuation of investments; • On a sample basis, tested the key controls on existence and valuation of Investments; • Traced the existence of investments held by the respective schemes from the confirmation provided by the Custodian/other Intermediaries with the holding as per the books of account as at March 31, 2026;

Key audit matters	How our audit addressed the key audit matter
	• On sample basis, tested the valuation of investments as per investment valuation policy and in accordance with SEBI Regulations; and • Assessed that the disclosures in the financial statements are in accordance with the SEBI Regulations.

Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of UTI Trustee Company Private Limited (the "Trustees") and UTI Asset Management Company Limited (the "AMC") (collectively referred to as the "Management") are responsible for the other information. The other information comprises the information included in the Trustees' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in net assets attributable to unitholders of the schemes in accordance with Ind AS and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015, as amended, read with the SEBI Regulations, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the SEBI Regulations for safeguarding of the assets of the schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of adequate internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the scheme's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the schemes to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with Those Charged with Governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances,

we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Regulation 55(4) and clause 5(II)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:

   (a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief were necessary for the purposes of our audit;

   (b) The Balance Sheet gives a true and fair view of the respective schemes, state of affairs of the respective schemes for the accounting period to which the Balance sheet relate;

   (c) The Revenue Account gives a true and fair view of the respective schemes, surplus or deficit in the respective schemes for the accounting period to which the Revenue Account relate;

   (d) The Financial Statements have been prepared in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations; and

   (e) The Balance Sheet and the Revenue Account are in agreement with the books of accounts of the respective schemes.

2. As required by the Eighth Schedule of the SEBI Regulations, we report that:

   (a) In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026, where applicable, are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of Trustee of UTI Mutual Fund and are fair and reasonable.

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

The accounts of the Schemes of UTI MF for the live Schemes as of 31st March 2026 have been drawn for the period/year ended on 31st March 2026.

2. Basis of preparation and presentation

2.1 Statement of compliance

The financial statements of the Schemes have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 including guidelines issued thereunder, as amended from time to time ("the SEBI MF Regulations"). In case of any conflict between the requirements of Ind AS and SEBI MF Regulations, the requirements specified under SEBI MF Regulations shall prevail.

2.2 Presentation of financial statements

These financial statements of the Scheme are presented in the format prescribed in SEBI circular no "SEBI/HO/IMD-II/DOF8/P/CIR/2022/12 " dated February 04, 2022. The disclosures as required under Ind AS, as applicable to the Scheme, are included in these financial statements.

The Schemes have prepared the financial statements on the basis that it will continue to operate as a going concern.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

• The event of insolvency or bankruptcy of the Schemes and/or its counterparties

The Schemes present their balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Table 11.

2.3 Functional and presentational currency

Item included in the Financial Statement of the Scheme are measured using the currency of the primary economic environment in which the Scheme operates ("the functional currency"). The Financial Statements are presented in Indian rupee (INR), which is Scheme's functional and presentation currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

2.4 Basis of Measurement

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values through Profit and Loss at the end of each reporting period, as explained below.

All assets and Liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the fair value measurement in its entirety:

- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS
UTI MUTUAL FUND MUMBAI

observable current market transactions in the same instruments nor are they based on available market data.

2.5 Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and accompanying disclosures (including contingent liabilities) at the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year are included in the following notes:

a. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 22 for more information on the fair value measurement of the Fund's Financial statement.

UTI MUTUAL FUND MUMBAI

b. **Provisions and Contingent Liabilities:**

The Scheme estimates the provision that have present obligation as a result of past events, and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The Scheme uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events. The existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Scheme or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

3. Summary of material accounting policies:

3.1 Income recognition

- Interest is recognised on a time-proportionate basis. On purchase of such investments, interest paid for the period from the last interest due date upto a day prior to the date of purchase is not treated as cost of purchase but is treated as interest recoverable. Similarly, interest received at the time of sale for the period from the last interest due date upto a day prior to the date of sale is not treated as part of sale value but is treated as realisation of interest recoverable.
- Dividend income is recognised on the ex-dividend date. Dividend income in respect of unlisted shares is recognized on the declaration date, if details not available publicly then income is recognized on receipt basis
- Futures contracts are recognized on trade date. Income on Futures contracts are measured at difference between the Strike Price/settlement price of the previous day and the settlement price of valuation day.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

- Interest Rate Swap (IRS) contract is recognised on the trade date and income on IRS contract is measured at net basis i.e. different between the interest on Fixed leg and Floating leg of IRS contract. Mark to market gain / (loss) on IRS contract is recognize as difference between notional value and fair value of the IRS contract (which is provided by the valuation agencies).
- Dividend and interest income for units of Infrastructure Investment Trust (InvIT) and Real Estate Investment Trust (REIT) is accrued on ex-date. Capital reduction is adjusted towards cost of investment on ex-date.
- Profit or loss on sale/redemption of investments is determined on the basis of the weighted average cost method. Further, transactions for purchase or sale of securities are accounted on the trade date.
- Income on Non-performing Assets (NPA) is recognized on a cash basis.
- Lending fees (net of brokerage) on security lending are recognized based on amortization throughout the lending of security.
- When income receivable on investment is accrued but has not been received or incase of debt securities classified as below investment grade provision shall be made against the income already accrued in the manner specified in SEBI circular SEBI/HO/MD/DF4/CIR/P/2019/102 dated 24 September 2019.
- Income other than above and of miscellaneous nature, if any, are accounted for, as and when there is certainty of realisation.

3.2 Financial instruments

Initial recognition and measurement of financial assets and financial liabilities

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

All financial assets and financial liabilities are recognised initially at fair value when the scheme becomes party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.

The Scheme's financial assets include Investments, Derivative contracts, Receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents and other financial assets.

Purchase and sale of investments are recorded on the date of the transaction, at cost and sale price respectively, after excluding brokerage, commission, CCIL charges and fees payable or receivable, if any and stamp duty charges in case of investment in mutual fund units.

Classification and subsequent measurement of financial assets and financial liabilities

Evaluation of Business Model - Classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest ("SPPI") test.

As per Eighth Schedule of the SEBI Mutual Fund Regulations, the valuation of investments shall be based on the principles of fair valuation i.e. valuation shall be reflective of the realizable value of the Securities. The Valuation shall be done in good faith and in true and fair manner through appropriate valuation policies and procedures.

The Scheme's portfolio of financial assets is managed, and its performance is evaluated on a fair value basis in accordance with the Scheme's documented investment strategy, together with other related financial information.

The Scheme is required to fair value investment as per SEBI Regulations. Hence, the Scheme has not performed the SPPI Test.

S.R. BATLIBOI & CO. LLP ★ CHARTERED ACCOUNTANTS ★ MUMBAI

UTI MUTUAL FUND MUMBAI

Investments at fair value through profit or loss (FVTPL)

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the 'Gain on Fair Value Change' line item and in case of loss recognized in the Revenue account is included in the 'Loss on Fair Value Change' line item.

Financial liabilities

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

Financial instruments not measured at fair value

The carrying value less expected credit loss provision of other financial assets and other financial liabilities are assumed to approximate their fair values due to their short-term nature.

De-recognition

The Schemes de-recognise a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Schemes neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Schemes enter into transactions whereby it transfers assets recognized on its Balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

The Scheme de-recognises a financial liability when its contractual obligations are discharged or cancelled or expire.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

3.3 Valuation of investments

All investments are valued based on the principles of fair valuation and have been valued in good faith in a true and fair manner through valuation policy.

Equity and related securities

All traded investments are valued at the last quoted closing price on the National Stock Exchange Limited (NSE)/BSE Limited (BSE) or other stock exchange, where such security is listed. If not traded on the primary stock exchange, the closing price on the other stock exchange is considered. NSE is the primary stock exchange. In the case of equity shares held in the index/ETF schemes where a BSE index is used as benchmark, the holdings are valued at the closing prices as per BSE.

When a security is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE/BSE or any other Stock Exchange is used, provided such closing price is not exceeding a period of 30 calendar day and the traded volume is atleast 50,000 shares and traded value is atleast INR 5 lakhs during this period.

Securities which do not satisfy the above condition shall be considered as a thinly traded. All non-traded and thinly traded equity investments are valued in accordance with the fair valuation norms prescribed in the SEBI guidelines.

All non-traded convertible preference share investments are valued based on underlying equity, discounted for illiquidity, if required as decided by the Valuation Committee. Redeemable Preference Shares are valued by discounting the future cash flows based on discounting rate decided by the Valuation Committee.

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

All equity warrants/rights entitlement/partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price/issuance price from the closing price of the underlying equity security.

Futures are valued at settlement price on the stock exchange as on the valuation date. Index/ Stock Options are valued at the closing premium quote/exercise price declared by the Stock Exchange as on the valuation date. Exchange-traded Interest Rate Futures are valued based on the daily settlement price declared by the exchange.

Interest Rate SWAPS Indian Benchmark (INBMK) will be valued as the difference between the value of the fixed and floating leg. For this purpose, the value of the Fixed leg will be the average of prices provided by the Valuation Agencies which includes CRISIL and ICRA .The value of the floating leg will be considered at par.

Infrastructure Investment Trust (InvITs) & Real Estate Investment Trust (ReITs)

Listed Units of InvITs / REITs will be valued at the closing price at the principal stock exchange.

If units are not traded on principal stock exchange on a particular valuation day, the closing price on any other stock exchange where units are traded will be used.

If units are not traded on any stock exchange on a particular valuation day, then closing price at which it traded on the principal stock exchange or any other stock exchange, as the case may be, on the earliest previous day will be used provided such date is not more than 30 days prior to valuation date.

The units of InvITs / REITs which have been purchased in the primary market will be valued at cost till such time that they are listed on the stock exchange.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

Unlisted / Non-Traded Units of InvITs /REITs (i.e not traded on any stock exchange for a continuous period of 30 days) shall be valued as per the procedure/price determined by the Valuation Committee.

Gold & Silver

The London Bullion Market Association's (LBMA) AM fixing price per troy ounce is increased with the CIF premium/discount and the LBMA fixing charge. This price is then converted to the equivalent price for 1 kg gold of 0.995 fineness and 0.999 fineness for silver by applying the conversion factor. The RBI reference rate is applied to convert the price from US dollars to Indian Rupees. The Indian levies in the form of customs duty and stamp duty are added to arrive at the final landed price of gold.

If on any day the LBMA AM fixing or RBI reference rate is not available due to holiday, etc. then the immediately previous day's prices are applied to calculate the value of gold.

Debt, Money Market and related securities

All traded and non-traded investments are valued at average of scrip level prices provided by CRISIL & ICRA for individual securities.

All non-traded bonus debentures are valued at cost till receipt of scrip level valuations from CRISIL & ICRA

Pursuant to SEBI circular Nos. SEBI/HO/IMD/DF4/CIR/P/2019/102 dated September 24, 2019 and SEBI/HO/IMD/DF3/CIR/P/2020/76 dated April 30, 2020, following valuation practice has come into effect from June 30, 2020 All debt, money market and related securities irrespective of residual maturity are valued at average of scrip level prices provided by CRISIL & ICRA for individual securities. If security level price for new security purchased (primary allotment or secondary market) is not available from Valuation Agencies, the valuation of such securities shall be done at the weighted average yield of all the purchases made by UTI Mutual Scheme from the day of allotment/purchase.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

Government Securities/Treasury Bills/Cash Management Bills

Central Government and State Government loans and Treasury bills are valued based on the aggregated prices provided by CRISIL & ICRA.

TREPS and Reverse Repo

Repos, TREPS (except for overnight repos/TREPS) are valued at average of security level prices obtained from valuation agencies.

In case security level prices given by valuation agencies are not available for a new security (which is currently not held by any Mutual Fund), then such security may be valued at purchase yield/price on the date of allotment / purchase.

Short Term Deposits / Fixed Deposits:

Short Term Deposits / Fixed Deposits are valued at cost.

Mutual Funds

Mutual Funds Units listed and Traded would be valued at the closing traded price as on the valuation date. If the units are not traded on the valuation day, the closing price of earliest previous day on which they have been traded may be used provided such price is not prior than 30 days. Unlisted MF Units and listed-but-not-traded MF Units would be valued at the NAV published on AMFI website as on the valuation date.

Corporate Debt Market Development Fund (CDMDF)

Units of Corporate Debt Market Development fund will be valued at the NAV per unit released by SBI Funds Management Ltd on daily basis.

Appreciation / Depreciation, as the case may be, in the value of the securities at the year-end have been computed for the Scheme, whereby the aggregate market value of all investments taken together is compared with the aggregate cost of acquisition.

UTI MUTUAL FUND MUMBAI

The Marked to Market movement in comparison to previous year is Debited/Credited, as the case may be to the revenue account, however in case of closing appreciation then the same is transferred to appreciation reserve account by debiting the revenue account.

3.4) Impairment of financial assets

In accordance with Ind AS 109, the Scheme uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For receivables, the Scheme applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Scheme uses historical default rates to determine impairment loss on the portfolio of receivables. At every reporting date, these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Scheme uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

3.5 Offsetting financial instruments

Financial assets and Financial liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Scheme or the counterparty.

3.6 Equalisation account

The purpose of the Equalisation Account is to maintain per unit distributable surplus so that continuing unitholders' share of distributable surplus remains unchanged on issue or redemption of units. In the case of Open-Ended Schemes, the total distributable surplus (without considering unrealized appreciation) up to the date of issue/redemption of units has been taken into account to ascertain the amount to be transferred to Equalisation Account. The net balance in this account is transferred to the Revenue Account at the end of the year.

3.7 Determination of net asset value

The net asset value of the units of the plans/options is determined separately for the units issued under each of the plans/options.

For computing the net asset values within the portfolio, the Scheme's daily income earned including realised profit or loss and movement in unrealised gain or loss in the value of investments, are allocated to the related plans/options in the ratio of the previous day's AUM +/- value of unit sales/redemptions accounted on current day. Expenses are charged

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

as per Total Expense Ration (TER) published for respective scheme-plan. Income Distribution Capital Withdrawal Plan (IDCW) on eligible, if any, is charged to the scheme plan on the ex-ICDW date.

3.8 Unit capital

Unit capital represents the net outstanding units at the balance sheet date, Upon issue and redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each option, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalisation account.

3.9 Taxes

No income tax provision has been made as the Scheme qualifies as a recognized Mutual Fund under section 10(23D) of the Income Tax Act, 1961.

3.10 Expenses.

All expenses are accounted for on accrual basis.

a) New Fund offer (NFO) expenses for the schemes launched during the year are borne by the AMC.

b) Pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, all the Scheme related expenses including commission paid to distributors, by whatever name called and in whatever manner paid, are borne and paid by the Schemes within regulatory limits mandated under regulation 52 of the SEBI (MUTUAL FUNDS) REGULATIONS, 1996.

c) Accrual of expenses, in addition to TER, for distribution expenses incurred for bringing in inflows from beyond top 30 cities (as notified by Association of Mutual Funds of India (AMFI)) is accrued in accordance with regulation 52(6A). This was applicable till FY 2022-23.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

d) As per the SEBI circular, the schemes have been charged 0.02% (0.01% for Index Schemes and ETFs, for passive fund and NIL for FOFs) per annum towards Investor Education Fund on daily net assets within the maximum SEBI TER limits as per Regulation 52 of SEBI (Mutual Fund) Regulations.

From March 16, 2025, SEBI's MF Lite framework revises Investor Education Fund accrual for passive schemes having specified underlying indices to 5% of the Base Expense Ratio (BER) charged to direct plans subject to maximum 0.5 bps of AUM.

e) Additional amount towards expenses specified in the said Regulation 52 not exceeding 0.05% of the daily net assets of the Scheme wherever exit load has been charged to the schemes.

f) GST on Investment Management and Advisory Fees is charged over and above the cumulative limits as specified above.

g) The cost of borrowing for meeting redemptions has been charged to schemes not exceeding the portfolio return of the borrowing scheme and balance, if any, have been borne by the UTI AMC. With effect from March 23, 2018, as per AMFI best practice guideline circular, cost of borrowing in the schemes of UTI Mutual Fund has been charged to the Scheme to the extent of yield to maturity (YTM) / running yield of the Scheme as on the previous day and excess, if any, have been borne by the UTI AMC.

h) With effect from April 1, 2019, Total Expense Ratios for schemes were reduced from a range (depending on AUM) of 2.50% to 1.75% to the current range of 2.25% to 1.05%.

Current TERs Limits are as follows:

a) For passive Schemes, 1.0% of daily net assets.

b) For closed-ended Schemes and interval Schemes, 1.25% of daily net assets for equity-oriented schemes (which invest at least 65% of their

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

portfolio in equity securities), and 1.0% of daily net assets for other schemes.

c) For open-ended Schemes (other than passive Schemes, interval Schemes and funds of funds), the maximum TER limits (as a percentage of daily net assets) vary by AUM band, as outlined in the table below:

AUM band	Equity-oriented schemes	Other schemes
On the first ₹5oo crore of daily net assets	2.25%	2.00%
On the next ₹250 crores of daily net assets	2.00%	1.75%
On the next ₹1250 crore of daily net assets	1.75%	1.50%
On the next ₹3,000 crores of daily net assets	1.60%	1.35%
On the next ₹5,000 crores of daily net assets	1.50%	1.25%
On the next ₹40,000 crores of daily net assets	TER reduction of 0.05% for every increase of ₹5,000 crores of daily net assets or part thereof	
On any additional daily net assets	1.05%	0.80%

3.11 Brokerage and transaction costs

As per the SEBI Regulations, effective April 1, 2023, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account which were Capitalised prior to April 1, 2023. Any costs towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged Total Expense Ratio of the Scheme. Securities Transaction Tax incurred at the time of execution of trades is considered over and above the mentioned limits.

3.12 Cash and cash equivalents

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

Cash and cash equivalents in the balance sheet comprise of cash on hand and Tri-Party Repo (including reverse purchase transactions). For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand, balances with banks in current accounts, deposits placed with scheduled banks (with an original maturity of upto three months) and Tri-Party Repo (including reverse purchase transactions) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.13 Statement of cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash future, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating and financing activities of the Schemes are segregated.

3.14 Provisions:

NPAs identified up to 31st March 2019:

An asset is classified as 'non-performing', if the interest and/or principal amount has not been received or has remained outstanding for one quarter, i.e., 90 days or more from the day such income/installment has fallen due. The provision for outstanding interest and principal is made from the date the asset is classified as NPA. A provision in respect of interest is made for interest outstanding before the date on which an asset is classified as a non-performing asset (NPA). There is no further accrual of income after the date of the classification of NPA. The principal amount of the NPA asset due is disclosed in the balance sheet as a net of provision.

S.R. BATLIBOI & CO. LLP MUMBAI CHARTERED ACCOUNTANTS

UTI MUTUAL FUND MUMBAI

Below-investment-grade and default papers identified after 31st March 2019:

- **Classification:**

A money market or debt security is classified as "below investment grade" if the long-term rating of the security issued by a SEBI registered Credit Rating Agency (CRA) is below BBB- or if the short- term rating of the security is below A3.

A money market or debt security is classified as "Default" if the interest and/or principal amount has not been received, on the day such amount was due or when such security has been downgraded to "Default" grade by a CRA.

- **Treatment of recovery:**

The following shall be the treatment of how any future recovery should be accounted for in terms of principal or interest: a. Any recovery shall first be adjusted against the value of principal recognized in the NAV and any balance shall be adjusted against outstanding interest recognized in the NAV . b. Any recovery above the carried value (i.e. the value recognized in NAV) should then be applied first towards the amount of interest written off and then towards the amount of principal written off.

Provision is made in respect of dividends, where it remains outstanding for more than 120 days from the ex-dividend date.

3.15 Load Charges:

In accordance with SEBI regulations, entire amount of exit load collected is credited to respective schemes net of taxes as other Income.

According to SEBI circular, no SEBI/IMD/Cir No.4/168230/09 dated 30th June 2009, effective 1st August 2009, UTI MF has not collected entry load towards purchases/additional purchases/switches/New SIP registered as specified in the circular.

S.R. BATLIBOI & CO. LLP CHARTERED ACCOUNTANTS MUMBAI

UTI MUTUAL FUND MUMBAI

Till 30th September 2012, from the exit load charged to the investor, a maximum of 1% of the redemption proceeds was to be retained under a separate liability account in the Scheme's books to meet the selling and distribution expenses of the Scheme. The balance amount of the exit load collected was credited to the Revenue Account of the respective Scheme. The load balance accumulated and remaining unutilized as of March 31, 2026, is Rs.258.90 lakhs (Previous year: 258.90 lakhs) (Refer Annexure A).

In terms of new regulation 51A of SEBI (Mutual Funds) Regulations, 1996, with effect from 1st October 2012, the exit load collected over and above goods and service tax on exit load is credited to the Revenue Account of the respective Scheme.

According to SEBI circular no CIR/IMD/DF/4/2011, dated 9th March 2011, the load balances before 1st August 2009 are kept under a separate account. These balances in the Load account are used for marketing and selling expenses including the distributor's/agent's commission. However, not more than one-third of load balance outstanding as on 31st July 2009 is used in the current financial year for the above purposes.

The unutilized balances in the Load account up to 31st July 2009 and Load account balances from 1st August 2009 onwards are both shown as 'Non-financial liability'.
